PORTFOLIO MANAGER(S)

Justin Jacobsen, CFA

Justin joined Pender in 2021 and is Portfolio Manager of the Pender Alternative Absolute Return Fund. He began his investing career in 2008 and spent 11 years at a highly regarded Canadian investment firm as a member of the firm’s fixed income team, contributing research to the Absolute Return and HY Bond strategies. Most recently Justin worked as a Senior Portfolio Manager at one of Canada’s largest pension fund managers, responsible for managing its high-yield focused credit strategy. Justin’s investment approach is centered around intelligent security selection across capital structures and markets, supported by active investing. He is focused on uncovering the best risk-adjusted opportunities in every market cycle and dynamically adjusts portfolio positioning to protect and grow capital. He uses strategies such as distressed credit investing, event-driven trading and capital structure arbitrage. Justin holds a BA in Honours History from Western University, an MBA in Finance from Washington State University and earned his Chartered Financial Analyst designation in 2012.

Stephen Kramer, CFA

Stephen joined Pender in October 2024 as an Associate Portfolio Manager. Prior to joining Pender, Stephen worked in private investments. He has also worked at a large Canadian asset manager as a high yield credit analyst. Stephen graduated with a Bachelor of Business Administration from the Beedie School of Business at Simon Fraser University. He has been a CFA Charterholder since 2020.

Commissions, trailing commissions, management fees and expenses plus applicable taxes all may be associated with mutual fund investments. Please read the simplified prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in net asset value and assumes reinvestment of all distributions and are net of all management and administrative fees, but do not take into account sales, redemption or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Where the performance of a particular class of a fund is displayed, other classes are available and fees and performance may differ in those other classes.
