Pender Alternative Arbitrage Fund

The Pender Alternative Arbitrage Fund aims to produce consistent and low volatility absolute returns by investing primarily in merger arbitrage opportunities. This low-risk strategy can be used to provide diversification benefits to clients with low correlation to traditional equity and fixed income investments.

PORTFOLIO MANAGER(S)

Amar Pandya, CFA

Amar is a Portfolio Manager of several of Pender's alternative investment funds and began his investment career in 2011 in the Portfolio Management Training Program at a large global financial services company. He moved to pursue his passion for equities becoming an APM at a large-cap equity value firm before being drawn to Pender and the west coast in 2017. As an advocate of a contrarian value investing approach, Amar has expertise in event driven special situations with a primary focus on M&A and balance sheet driven special situations. He holds a Bachelor of Commerce degree in Finance (Honours) from the University of Manitoba. He earned his Chartered Financial Analyst designation in 2015.

About Pender

Pender was founded in 2003 and is an independent, employee-owned investment firm located in Vancouver, British Columbia. Our goal is to protect and grow wealth for our investors over time. We have a talented investment team of expert analysts, security selectors and independent thinkers who actively manage our suite of differentiated investment funds, exploiting inefficient parts of the investing universe to achieve our goal.

Commissions, trailing commissions, management fees and expenses plus applicable taxes all may be associated with mutual fund investments. Please read the simplified prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in net asset value and assumes reinvestment of all distributions and are net of all management and administrative fees, but do not take into account sales, redemption or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Where the performance of a particular class of a fund is displayed, other classes are available and fees and performance may differ in those other classes.
