ABOUT PENDER

Pender was founded in 2003 and is an independent, employee-owned investment firm located in Vancouver, British Columbia. Our goal is to protect and grow wealth for our investors over time. We have a talented investment team of expert analysts, security selectors and independent thinkers who actively manage our suite of differentiated investment funds, exploiting inefficient parts of the investing universe to achieve our goal.

PORTFOLIO MANAGER(S)

David Barr, CFA

David Barr is the CEO of Pender. He is also the Portfolio Manager of several of Pender’s funds. David has been investing since 2000 and is an advocate of value investing. He aims to determine the intrinsic value of a company and to buy shares in that company at a significant discount to that value (margin of safety). He looks for value in unloved and unfollowed parts of the market where he can find quality at a discount. Capital preservation and downside protection are a primary concern. David holds a Bachelor of Science degree from the University of British Columbia and an MBA from the Schulich School of Business, York University. He earned his CFA designation in 2003 and is a past President and an active member of the CFA Society Vancouver.
