Pender Partners Fund

EQUITY

The Pender Partners Fund is offered privately under an Offering Memorandum, pursuant to prospectus exemptions. It is an equity fund comprising a portfolio of securities which we believe have the potential for long term capital appreciation, regardless of market cap or geographical constraints. The objective of the Fund is to achieve capital growth over the long-term for unitholders, while being sufficiently diversified to mitigate volatility.

PERFORMANCE

1 Mo.	3 Mo.	6 Mo.	1 Yr.	3 Yr.	5 Yr.	10 Yr.	15 Yr.	Since Inception
-2.2%	1.3%	10.4%	1.9%	15.4%	7.0%	0.2%	3.5%	5.5%

ABOUT PENDER

Pender was founded in 2003 and is an independent, employee-owned investment firm located in Vancouver, British Columbia. Our goal is to protect and grow wealth for our investors over time. We have a talented investment team of expert analysts, security selectors and independent thinkers who actively manage our suite of differentiated investment funds, exploiting inefficient parts of the investing universe to achieve our goal.

PORTFOLIO MANAGER(S)

David Barr, CFA

David Barr is the CEO of Pender. He is also the Portfolio Manager of several of Pender’s funds. David has been investing since 2000 and is an advocate of value investing. He aims to determine the intrinsic value of a company and to buy shares in that company at a significant discount to that value (margin of safety). He looks for value in unloved and unfollowed parts of the market where he can find quality at a discount. Capital preservation and downside protection are a primary concern. David holds a Bachelor of Science degree from the University of British Columbia and an MBA from the Schulich School of Business, York University. He earned his CFA designation in 2003 and is a past President and an active member of the CFA Society Vancouver.

Commissions, trailing commissions, management fees and expenses plus applicable taxes all may be associated with mutual fund investments. Please read the simplified prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in net asset value and assumes reinvestment of all distributions and are net of all management and administrative fees, but do not take into account sales, redemption or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Where the performance of a particular class of a fund is displayed, other classes are available and fees and performance may differ in those other classes.
